

News Release

VIPAR Heavy Duty Welcomes MSP Diesel Solutions to Network

- *MSP Diesel Solutions joins VIPAR Heavy Duty network*
- *Company serves customers from three locations throughout Tennessee and Missouri*
- *VIPAR Heavy Duty will support continued growth of this century old business*

Crystal Lake, Ill. – Dec. 7, 2020 – [MSP Diesel Solutions](#), previously known as Mid-South Power Distributors, has joined the [VIPAR Heavy Duty Network](#).

Headquartered in Memphis, Tennessee, with additional locations in St. Louis and Nashville, Tennessee, MSP Diesel Solutions specializes in diesel fuel injection components for engine repair. The company's headquarter location features a 60,000 square foot warehouse, a fuel injection shop and a five-bay service shop offering a variety of services including transmission, wheel end, engine, fuel injection, radiator and air conditioning repair.

"MSP Diesel Solutions has been providing customers with quality service for more than a century," said Jim Pennig, vice president of business development, VIPAR Heavy Duty. "We are fortunate to have a company with such a long history join our network, and we look forward to working with them to support their mission to continue to grow their business through the next century."

MSP Diesel Solutions' customers include repair shops and fleets, as well as city, county and state entities in the agriculture, marine and construction equipment industries.
