Crystal Lake, Ill. – [VIPAR Heavy Duty](#) will exhibit at the [2016 Technology & Maintenance Council \(TMC\) Annual Meeting](#), Feb. 29 to March 3 at Music City Center in Nashville, Tennessee. When fleets visit the VIPAR Heavy Duty booth #1417, they will have the opportunity to enter a drawing for the chance to win one of five \$100 gift cards.

Jim Pennig, vice president of business development for VIPAR Heavy Duty says its national fleet program is designed for small, medium and large fleets with a focus on solutions to increase efficiency and enhance maintenance practices.

“Our philosophy is to provide fleets with consistent parts and pricing,” explained Pennig. “We know that keeping trucks running at all times is the goal of every fleet operator. That’s why we provide parts and service solutions coast to coast across the U.S., Canada, Puerto Rico and Mexico.”

In addition to the network’s heavy duty knowledge and experience, Pennig says fleets appreciate VIPAR’s easy-to-use web-based tools and leading technology solutions that help increase efficiency and reduce fleet costs.
