Wofford Truck Parts Joins VIPAR Heavy Duty

*El Paso-based company is a strategic location for serving fleets
in West Texas and Southeastern New Mexico*

Crystal Lake, Ill. – [Wofford Truck Parts](#) of El Paso, Texas has joined the [VIPAR Heavy Duty](#) network of distributors as a stockholder. Founded by its president Paul Wofford in 1985, Wofford Truck Parts specializes in heavy duty and medium duty truck parts. In addition to its main headquarters in El Paso, the company serves southeastern New Mexico from its branch in Carlsbad.

Wofford Truck Parts carries an extensive inventory of A/C parts, brakes, hydraulic parts and equipment, steering gears and kits, PTO equipment, and trailer parts. The company also provides air, water and hydraulic hose assembly, along with turning fly wheels and rebuilding fan clutches. Wofford Truck Parts provides critical parts delivery to fleets, independent service facilities, municipalities and owner operators.

"Wofford Truck Parts is a strategic addition for VIPAR Heavy Duty, helping expand our footprint in west Texas and New Mexico," said Jim Pennig, vice president of business development for VIPAR Heavy Duty. "We are glad to partner with them and help expand their product offerings and services through our industry-leading brands."
